#### VIA A8 FROM NORTH

From Autobahn A8 at the exit leading to Eschenried/München transfer to A99. Keep right at the junction, continue on A99 and follow the signage to Salzburg/A8/München-Ost. At München-Nord interchange (in sighting distance of Allianz Arena) take one of the two rightmost lanes, following the signage to A9. Go on A9 and follow it further southwards, passing Frankfurter Ring. Take one of the two leftmost lanes, taking exit 76 to Mittlerer Ring/München-Ost. Follow B2R (Schenkendorfstr.) until it is renamed Isarring, cross the river Isar, further following the course of the road. After crossing the S-Bahn tracks turn right onto Berg-am-Laim-Str., cross the tracks a second time and turn right onto Grillparzerstr. After 450m turn right onto Einsteinstr. – the next branch right is Bothestr. You'll find our offices on the right side of the first crossing coming your way.

#### VIA A8 FROM SOUTH

From A8 pass München-Süd interchange, further on to Unterhaching. Continue going along A8, further following the course of the road. You'll leave the Autobahn, but still follow the course of the road – in the inner city it is renamed Rosenheimer Straße. On Orleansstraße junction turn to the right, pass Ostbahnhof and follow Orleansstr. for one kilometer folgen, continuing on Grillparzerstraße. After 450m turn right onto Einsteinstr. – the next branch right is Bothestr. You'll find our offices on the right side of the first crossing coming your way.
