DIRECTIONS TO THE SOLCOM HEAD OFFICE IN REUTLINGEN

Description

Our visitor's entrance: You'll find our visitor's parking spaces and the entrance to the reception at Heilbrunnen 99, on the front side of the building.

Travelling by car

FROM THE A8 COMING FROM THE DIRECTION OF KARLSRUHE OR MUNICH

Leave the A8 at junction 52 and take the B27 towards Tübingen/Reutlingen. On the B27 do not take the Reutlingen/Metzingen (B312) exit but the Reutlingen exit a few kilometres further on, which takes you onto the B464. At the end of the B464 (T-junction) turn right into "Romelsbacher Strasse". In Reutlingen, approximately 500 metres after the tunnel, turn right again onto the four-lane B28 heading for Metzingen. On the B28 take the first left (direction: "In Laisen" industrial estate) into "Am Heilbrunnen". The next left turn leads into Schuckertstrasse.

Travelling by air

Depending on traffic it is approximately a 30 minute journey by taxi. The fare is around 60 euros. You can also reach us by public transport from Stuttgart airport. At the airport, take the S-Bahn S3 direction Backnang to Bad Cannstatt railway station. Alight here and take the R8 regional train, direction Tübingen. Alight at Reutlingen main railway station and follow the instructions for "travelling by public transport". The journey time is approximately one hour 20 minutes.

Travelling by public transport

The Listplatz-Hauptbahnhof bus stop is located directly opposite the railway station building in Reutlingen. From this stop take line 1, direction Orschel-Hagen, "In Laisen" industrial estate, which runs every 20 minutes. Alight at the "Siemensstrasse" stop and cross the road past the public utilities. Alternatively you can take line 7 from the main railway station towards "Efeu". In this case you should also alight at the "Siemensstrasse" stop. In both cases the journey takes between five and eight minutes.
