### Travelling by air

Arriving at Berlin-Tegel Airport you have three options: The first one is going by cab, which will, depending on the current traffic situation, take about 30 minutes and cost you approximately 35 euros. The second and third option are both public transport. Number one is the Bus TXL in direction of S+U Alexanderplatz via Hauptbahnhof, in which case you'll get off the bus at the stop Unter den Linden/Friedrichstraße. The other public transport option is the Bus 128 towards metro station Osloer Straße. In this case yo'll want to leave the bus at the metro stop Kurt-Schumacher-Platz and get on the metro U6 heading to U Alt-Mariendorf. When you reach the stop Französische Straße you'll get off and walk down Unter den Linden for about 200 m.

### Travelling by public transport

If you decide to take public transport you have multiple options. The closest stops are Französische Straße, Unter den Linden/Friedrichstraße and S+ U Brandenburger Tor/ Glinkastraße. From all of those, it's only a short walk to the office.
