Travelling by air

From Stuttgart Airport, depending on the current traffic situation it's about a 25-minute-cab ride to the office, costing you round about 50 Euros. Optionally, take public transportation: In that case you take the S-Bahn (all lines) at the airport. Get off the train at Rotebühlplatz Station. From here it is about 550 meters by foot. The entire trip will take you round about 35 minutes.

Travelling by public transport

Take the S-Bahn and leave the train at the station named Rotebühlplatz. Then follow Rotebühlstraße towards Schlossplatz and turn right into Kienestraße. Follow the street until you can turn left into Kronprinzstraße. Your destination is now on the left.

Another option would be to take the U-Bahn to Schlossplatz. Upon exiting in the direction of Rotebühlplatz, you have to walk northwest Königstraße (Pedestrian zone). After 160 m you have to turn right. Follow the street for 55 m and turn right again onto Kronprinzstraße, running parallelly to Königstraße. Your destination will be on the left hand side after about 70 m.
